Chemie+Service GmbH

Dear Ladies and Gentlemen,
we are glad that you opened this internet page of Chemie+Service GmbH.

The following links will lead you to our specific pages - be it the catalogue with all product that can be derived from fats, i.e., from fatty acids, fatty acid methyl esters to sphingolipids and cholesterol, be it our price list for these products or be it information on other products and services we offer.
Many thanks for your interest.

Now the Links:
